

# BusNSW 2024 Membership

BusNSW is the peak body representing the interests of the private bus and coach industry in NSW. Benefits include industry representation (contracts, accreditation, regulations, policy, planning and industrial relations) and an extensive range of member services (events, manuals, guides, advice, education and training). BusNSW takes every opportunity to advance the growth of public transport and the benefits of bus and coach services.

Membership to BusNSW is open to Accredited Bus & Coach Operators in NSW. Associate membership is also available for businesses that are not bus operators but are related to the bus industry. Further information and an online membership application form is available on the [BusNSW website](#).
